MADE *from* SCRATCH

This is it. The day you've been waiting for. A lot of crumb-topped, icing-swirled planning has gone into getting where you are right now. Some of it was sprinkled in laughter… some was covered in nuts. Either way, it's time to celebrate. Time to savor every delicious moment, and take one big buttercream and cake-filled bite out of today. Because this isn't just a party. **This is life…made from scratch.**
